

A COMMUNITY SO PROUD OF OUR MILITARY MEN AND WOMEN!

Continued from page 5

The Wounded Warriors and Boat crew were all treated to a boxed breakfast courtesy of Patty and Lou Petrone of Red Fox Diner. Thanks to all the staff who helped in the assembly line to make 40 breakfast boxes. It was a special delivery as you can see from the photo.

After fishing the Wounded Warriors were brought by boats to Lighthouse Point Yacht and Racquet Club which hosted the group for a wonderful lunch. Much to everyone's surprise the Yacht Club members and community also turned up for a sold out event. Everyone wanted to honor these heroes. The décor and the food were amazing.

Thanks to David Stevens and Linda Lennon for saying "yea" and a special thank you to everyone at the Yacht Club for a great job.

Each Warrior was given a framed letter from Congressman Allen West thanking them for their service to our country. Many of the men attending were truly moved by this and we want to thank Congressman West and his District Director Kate Wesner for making this happen.

Broward County Commissioner Chip LaMarca welcomed everyone and did a great job keeping everything moving. A big thanks to Commissioner LaMarca.
